This looks strange.
Unless it's meant to be -
that the privacy policy
page should open up
here - inside the pop-
up.

Then the text must be in Danish here - similar to the front page of the pop-up

Why is most of it in English again? ;(I've corrected it so many times.

There should be two options for payment of delivery - where the customer has to tick a box to choose. But that's only for physical products.
If the purchased product is online - can I make a mark on the product (when I create it) that payment for delivery is waived?
